EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Arthur Kaiser on 6/29/05.

The application has been amended as follows:

In claim 9, lines 12 through 16 have been replaced by following:

----- d. allowing each player on a turnabout basis to move a playing piece from a current space in Y section to a new space in Y section only if the difference of integers between said new Y space and the current Y space is equal to an integer created by moving a piece or pieces from their current spaces in X section to new spaces in X section; -----

In claim 9, line 18 the term "played" has been deleted.

2. The following is an examiner's statement of reasons for allowance: None of the cited prior art references either alone or in combination disclose a method of playing a board game providing Y spaces in rows and columns, X spaces bordering Y spaces, each of X and Y spaces having an integer, players placing their distinguished pieces on X and Y spaces, allowing each player on a turnabout basis to move a playing piece from a current space in Y section to a new space in Y section only if the difference of

integers between said new Y space and the current Y space is equal to an integer created by moving a piece or pieces from their current spaces in X section to new spaces in X section and allowing a player to win the game by being first to position each piece within section Y on integers that when added together equal zero.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
